

Kids: Draw Your Savings Goals!

Hi! I'm the Money Savvy Pig®. Let me show you how important and fun it can be to set goals for your money choices: Save, Spend, Donate and Invest!

Start by setting a **short-term** goal for the money you are **saving** for things you need or want one year from today. Then, set a **long-term** goal for the money you plan to **invest** for the things you need or want 10 or more years from today. Draw a picture of your goals below. Then, write what they are below each picture. Try to estimate (guess) how much each will cost.
